

**Le Regard Sonore** is an independent company specializing in the creation and production of original animation and edutainment programs for youth, created in 2001 by composer Emmanuelle Reyss, and joined by graphic author and former teacher Mathilde Menet in 2012.

In addition to this strong pedagogical component, the editorial line of **Le Regard Sonore** is based on the imaginary, the openness to others and to the world, with series dedicated to the discovery of countries, animals, cultures like for example our serie «Moko the young explorer». And, to remain faithful to its origins, music !

## Childhood Songs

Every Child knows nursery rhymes... All these songs were composed a long time ago. You might find them a bit old-fashioned, yet children today know them just as we did when we were their age. These nursery rhymes are timeless !

## Sing-along Stories

For Sing-along Stories, we wanted to create animations with simple graphics, to reflect the poetic and naive vision of very small children. The rhymes and rhythms are in large part what make this series so entertaining. The themes allow children to discover and dream of worlds both familiar and unfamiliar, such as Christmas in China or in Russia.
